The Christian Science Monitor (CSM) is an international news organization that delivers thoughtful global coverage via its website, weekly magazine, online daily edition, and email newsletters.

World news is available on Fox News, which provides latest world news, international news, and international video.

Politics news is covered by ABC News, providing breaking political news, video analysis, and coverage of the Trump presidency, Senate, House, and Supreme Court.

La UOC is an online university that offers undergraduate, graduate, and language courses.

AOL News provides breaking news, latest headlines, politics, sports, mail, and more.

Beyond Red vs Blue: The Political Typology is a research center that examines the political views of stressed sideliners who make up 15% of the public but constituted just 10% of voters in 2020. These individuals have a mix of conservative and liberal views but are largely defined by their minimal interest in politics. Here are the main findings from the new political typology: racial injustice remains a
